“ Please accept my heart-felt condolences on the passing of your child. Such a beautiful soul and vivacious spirit! I knew Megan when she was a teen/peer leader with 'Operation Snowball' (teen support group) in Jacksonville. So reliable and trust-worthy. Quite a support/helper with the program. I have lived in Oregon for the past 35 years, and am now learning of Megan's illness. I am so sorry! I truly believe that Megan is in Heaven praying for your strength! With love, Tracy Goudy
