“ *Melba will be greatly missed . I remember her walking with me to the bluejay junction to get pizzas and letting me rearrange her apartment when my father and I would spend the weekend there as a child . Melba was always a great mother figure to me and our family love her very much.*

“ Very sorry for your loss. Melba enjoyed her library books, and we always had a nice visit when I delivered to Balsam/Spruce apartments. Seemed like she always had something in the oven or was planning some kind of candy or baked goodies. I will miss her a lot.
