“ *I've known Brad since Kindergarten. I am glad we were able to see each other at the 30th reunion and catch up a bit. Even as a kid, Brad always had an easy smile and a kind, sweet nature about him. He will be missed.*

“ Susan, we are beyond sad and shocked to learn of Brad's passing. He was a great neighbor and we chatted alot. He put flooring down for us many times and always did a great job. I still find it hard to believe that I won't see him out when I ride my bicycle by his house...or won't see him mowing his big beautiful yard. He was such a great neighbor and we will miss him tremendously!! Our condolences to you and your family. May he Rest in Peace!

“ I will never forget the smile on Brad’s face as he drove his van on the sands of Daytona Beach to meet Darren Miller and me preparing to windsurf. All of us windsurfers and board sailors; Glenn Erickson, Tom Martin, John DeWeese, John (Jed) Starman, Dave Moose, Brook & Amy Petersen, Brett & Diane Carnie, Maggie, slick Rick, Doug & Steve S., Rick Schmudde and many others will never forget our windy days and grilling nights with Brad. I won’t forget his Budweiser recitals or playing billiards with him in Southern View. My wife Tamara and I will also never forget his smiling face, professionalism and passion for doing jobs right. I regret never having taken him up on paying him a visit while he was at his farm property. I know he enjoyed spending time there too. He will be sorely missed.

“ Will always remember the wonderful hours we spent windsurfing, cooking out and visiting with friends. Your woodworking talents and all those tiny miniatures that you put so much care into, made me smile. Your laugh, gentle nature and kind heart made you a very special person. I will miss you. Rest In Peace.
