“ At this time of sorrow,
May these truths sustain you ...
Your loved one will always
Be as close as a memory,
And the God of all comfort
Will always be as
Close as a prayer.

“ Aunt Mildred....I remember in my single mother days that you insisted on taking my five year old Casey Ann to Carps (store in J'ville before the Walmart craze) and buying her underwear, socks and a pair of shoes for school. And when we visited you, you would load me down with food from your freezer to take home. You and Uncle Marvin would also have us all over at the end of the season at your apple orchard in Lynnville to take home a variety of apples and cider and just have a fun Autumn day at your house. There's a lot more memories but these are what have stayed with me the most. Love, your niece Brenda McCarthy.
