“ I remember as a youngster going in to the Winchester Times office to visit Mom and the gang. What a great group of people that enjoyed their work and loved each and every one of their co-workers while they were putting out the best paper we ever had! They called all their kids their own little family. Will miss her but know without a doubt that she and Mom and the others are having a grand time and remembering all the old days! We will see them again one day!

“ My grandmother Madeline, my grandpa George and my mom Irma are rejoicing in heaven right now with Jane. Although we didn't get to Winchester as often as we would like it was always great to see Jane and the rest of the family. She was the kindest and loved her family completely. Our prayers and thoughts are with the whole family.
