“ Patty was one of my best friends in school. I remember going to her house and playing. Her mom and Alvin would be there also. I just was told about her obituary, seen it, and I'm totally shocked at her passing. I'm really sorry I missed her Celebration of Life and couldn't go. She will definitely be missed!!!! My condolences and prayers for Dale & Lisa and family, Jackie and family, and for Patty's family and all of her close friends/family.
