“ *Pauline was a patient at dialysis, as am I. We enjoyed visiting and she was such a nice lady and I am so sorry to hear that she has passed. I will miss her. Chris, you were so good to her and she depended so much on you. I will miss you bringing her and getting to visit with you also. My sympathies to you and your family on your loss. June Leib*

“ *I am so sorry about the passing of Pauline. She was a wonderful person and I know how well she looked after her grandchildren and also our mutual friend, Bertha Strowmatt, where the three of us would meet for tea and talk about our families. My prayers are with all of you. She will long be remembered.*

“ So sorry to hear about Pauline's passing. John was a student of mine at NGHS, and I had several meetings with her. She was always interested in doing the best for him. I could tell she truly loved her family. My thoughts and prayers are with the family, especially J-dog. God Bless you all.
