“ *Paul has been so special to me growing up. When we were little kids and even into our older years, Paul was always the jokester. While showing he would turn the hot water off to the basement shower. Paul was always fun loving and playful. He loved joking around with the kids. I saw a lot of Grandpa Chapman in Paul. In my heart I will miss him greatly and always have fond memories of him. Love you Paul and I'll see you again, Brenda*
