“ *We used to live across the street from you in Murrayville, and the kids played together. We moved away in 1986 due to my husbands job and now live back in Jacksonville. You have our sympathy.

“ *For a long time, Raleigh and Judy were so faithful in delivering our newspaper every morning. Mike, Mark, and Missy were friends with our children. Raleigh and Judy were always so friendly and willing to help everyone. Our last conversation with Raleigh was at the Murrayville Fast Stop Station. We exchanged stories about our children and grandchildren. Will really miss seeing him around Murrayville. Don and Irene Wilson*
