“ *There's so many things I remember about you
dad when I was growing up. You were a good
dad to us and we never did without. I know I
wasn't the best daughter but you never held
that against me. I'm sorry for not being there
for you in the last days, I truly am. I love you more than I could ever
say, but you knew that bc we had this talk. I've missed you and
again I'm sorry i couldn't be there. Your in a better place now. Get
your wings and fly. You will be sadly missed.*
