“ *She was a very kind and sweet lady. I knew her through her son Gordie. She was special.*

“ *From the day my Grandpa Olin asked for 'my permission' to marry Becky when I was a senior in high school, I knew that he had finally found the true love of his life. They danced, they laughed, and they loved! Though not by blood, she truly became my Grandma and I've loved her dearly. I know she is with her family in heaven and once again able to dance the way she used to! Until we meet again Grandma Becky!*
