“ My condolences to the Suttles and Gray families. I grew up in Franklin and remember most of the girls. I got a wonderful gift while working at JDC. Joyce came to my office and I recognized her after all those years. We shared memories of her sisters I also knew her grandparents who lived just outside Franklin, I was saddened for the loss of Joyce and I know she and Becky will be together in their heavenly home with their, Mom and Dad and Grandpa and Grandma Sutton..The Gray family were wonderful. Rest In Peace Becky!

“ Our family has wonderful memories of Becky. She was the best cleaning lady! Wonderful friend, loved my kids and grandkids like her own. Always had a hug for everyone, would sing songs to my kids, give the tic tac's and mentos to all of us, had special gifts for all of us at Christmas, and the best gift was her love for us, her smile, her laugh, friendship, strawberry pie, just to mention a few of the many memories. We will miss her so much. Prayers for the family. Until we meet again Becky, Aunt Becky, grand ma Becky!

“ Becky and I were childhood friends and my closest farm neighbor. I have great memories of being excited when one of our farm cats had kittens and we would search for them. Also biking to the creek and getting into trouble for getting mud on our shorts from sliding down the bank. I would sometimes help Becky with her chores, like gathering eggs, before we could play together. I still recall her dog, Ralph. We had a lot of fun and laughter! May you Rest In Peace my friend.

“ I saw "Crazy Aunt Betty" (she told me to call her that) at the Dollar Tree often. We became friends. She would always share a story, joke, phrase or song, and I would in turn share one. The last song she sang was a cute little Halloween song. Becky was a very outgoing, friendly, down to earth gal. I will certainly miss her 😭

“ *Our thoughts and prayers are with you David, Derrick and Haley. We often would hear the Suttles lawn mower from our house and knew it was Becky taming the lawn. She always kept the yard looking nice. And I loved our occasional random meetings on Whitlock! Always non-stop chat: news of the family, asking about us & always joyful! David: you and Becky have been the BEST neighbors for 40 years! Derrick and Haley: may memories of your Mom bring smiles amidst the tears and give you comfort. Bud and Sara Brown*

“ Becky was the light in all family gatherings - Always passing out Mentos or TicTacs. Your plate was removed and washed even before you finished chewing your last bite of food. She was Rodney's smoking buddy and her joy for life was contagious. Love you David, Haley, Derek and Chelsea!! 💔😭🙏
