“ *My sincere sympathy to all of you. Your dad was a great neighbor. I am glad I had recently called and talked with him. So sorry I was unable to come to the services as I was in Missouri helping our daughter with her children. Unfortunately, Jim and his family were also away that week for a vacation before school started. Glad Don and Brad were able to meet Richard Jr. If there is anything we can do, please let us know.*

“ *Yes, my brother Richard will be missed. I am shocked that the only way I knew of his death was via the on-line Journal-Courier, after he had made an attempt himself on Saturday night to contact me via a friend in Jacksonville. Thank you to those who have made sympathy remarks here. shabab41@gmail.com Ronald Steven Garfield, Colombo, Sri Lanka*
