“ *Bill, William, Katlyn, Kristin and families, Donna, Linda, Peggy, Steve, Ruth, Debbie and families,
We are saddened to hear of Rita's passing. Our condolences to all of you.
I always liked working with Rita at the "Dairy Belle" (Plackes) way way back when we were young--she was always so pleasant and fun to be around with her winning smile and infectious laugh, what a great person she was!
May God comfort you at this time of loss and hold tight to those good memories of Rita.

“ Oh for all the family you have my sympathy for your great loss. Rita of course knew since birth and all of her family. Knew her from being my go to person for L & H and even though sick had a wreck and called to get a number and she was so helpful and told me to call her back if I didn't get satisfaction. I am so glad I did call her as we got to visit a bit that day on phone. This shows what a good person she was I needed help and could not get it as place closed and would not answer my message and she was still there to help me. Again so sorry. Pat Engelbrecht
