“ Bobby Robert Cowan and family, were so sorry for your dad’s passing. I remember the time that your dad was so mad at Jerry that he wanted to punch his lights out! Funny that that was the first thing I thought of when I think of Bob. Our thoughts and prayers are with you! 🙏🙏🙏

“ Deb and family, Candy and Chris... very sorry to learn of Bob’s passing. He was one of my oldest friends from grade school and Sunday School at Arenzville Presbyterian Church. I will miss my interesting conversations with him on a myriad of topics. Sometimes I could give a quick, perhaps humorous reply, and other times I would have to think for a minute or two to come up with a hopefully sensible response. That was the joy of running into him at random times. Also know he was a blessing to those who he helped with shopping and no doubt other tasks. He will be missed by many. Rest In Peace, dear friend. ❤️
