“ *Don and Irene Wilson remember Bob when he was young and in Murrayville. He even worked for us for awhile, like many other young men, and he was a good worker. His sister, Mary, lived close to us way back in the years also. Our sincere sympathy to all of Bob's family.*

Thank you for the memories I have learned a few new things I never knew about dad!

One of my Fondest Memories was riding in his 56 Chevy pickup to all the car shows within a 50 mile radius and listening to the oldies back when I was a kid which I don't know what they would be called now because 80s and 90s I guess are called oldies now!
