“ *Thanks Uncle Gary for all the fishing trips, building wooden trains together and letting me drive all the time. I lost a front wheel off Grandmas car when I was 14 and you were cool all the way. We had a lot of fun Uncle G.*

*Love,
Rich Jackson*

“ *Will miss you quiet but larger than life person with love and kindness. Your art was so beautiful but you never thought so. You are so missed by family and friends. Love from your Exeter Cousin.*
