“ *You came into this family the same year I did. You by marriage, me by birth. Though we barely knew each other, you are the only grandfather I ever met. I know I'll see you again. Please watch over Grandma...I know her heart must be shattered as she grieves. ?*

“ *To My Father Rod Bartley, we have not been close for a long time but I am glad that the last time I saw you I was able to at least introduce your granddaughters to you & we had a good conversation! You and Mary had just come back from the Beach Metal Detecting. We just spoke for a little bit but at least it was a good memory to leave it on! I just want my father to be at peace & I hope that he will see Wade in heaven & there will be a place where you both can go fishing. Please Lord Wrap Your Loving Arms Around ALL the folks that he meant so much to & most of all Lord PLEASE Hold Mary in your Loving Arms so she can get through this. Thank you to all that have done for and taken care of my father! I will not be able to attend the Funeral for my Dad but I send my Love & Much thanks to all that are grieving from the loss of my father!!!! Love Your Daughter, Jan Bartley Voytilla*
