“ Long time friends with his Pops Ross, like a brother . I remember when Ryan was born and he grew into a good man and I was most happy to call him my friend and Brother also. Love him. May God Bless Ryan's family with the comfort that only he can bring you all.

“ I loved this guy from the time he was 3 years old and I baby sat him . I ran into him many years later and couldn't believe he was that same little boy but I know he turned out to be a very good man and father. I know Terri is proud of him. My heart is heavy and I send prayers and hugs to his family.

“ For each of you, The Kunkel family. There are know words. May peace find you. Godspeed.

Ryan, I have so much love in my heart for you my friend. Beneath that rough around the edge,beat a heart of gold. You were my friend and often times my confidante and I yours. Always ending in a roar of laughter. One day,I'll see you on the other side. Till then, give heaven some hell.
