“ *I remember sandy coming over to our house to hang out with my sister karen and they would let me play hide and seek with them. Being a little brother, I thought that was pretty neat back then.*

So sorry to hear about her passing.

“ *Sandy was in fact a kind woman. She had a big heart and loved honestly. We knew her for many years and when our children were young she was a warm loving second mom to them as she was to all the local kids when they all went to school together. She will be missed for sure. Our family offers prayers and love as your family grieves. With love, the Sampson family.*
