“ *May God comfort you as only He can at this time. I remember Sara and Bob when my dad was a pastor at the church there and he actually performed the ceremony for them I think. Rest in the comfort of knowing where she is and cherish the memories you have from the time she was here. Love to all the family!*

“ I want to tell Sara's family how sorry I am and sorry I did not get down to the nursing home to visit her. I am glad I called and talked to Bob before I went to Texas. I use to talk to him on the phone more than I talked to Sara. You know that thing about you can't mandate me if you don't talk to me. i first met Sara and her family when I stopped by her house in Springfield with Theresa while we were in Nurses Training. I was very happy to have her join us at JDC. She was a very kind hearted professional RN and I am feel I was privileged to know her. I am very sorry for your loss.

“ I will always remember Sarah for her awesome smile and for being such a sweet lady. I can remember when she and Bob would come to Family Gardens to see if I had grown Rutgers tomatoes. To the Johnson family and to the Andras family, we are so sorry to hear about Sarah, but I know she has her angel wings and she is flying high with that wonderful smile. She will always be smiling down of each and everyone of you!
