“ *My fondest memories of Aunt Sarah come from the many visits she made to my Nana's (her sister) house. When I was young & spent many hours with Nana, Sarah would come to visit of an afternoon & have coffee, I always knew when she arrived because she would come in the back door & yell "Howdy Doody!" to announce her arrival. I was a permanent (and probably annoying) fixture at the kitchen table while Nana & Aunt Sarah did their visiting. I was always afraid I would miss out on something interesting if I left the room! I also spent many hours at Aunt Sarah & Uncle Gene's house since I was attached at the hip to Nancy & Carol! I miss you already Aunt Sarah!*

*Love Always,
Your Great Niece & Goddaughter,

“ There are many memories I have in my heart of Sarah. I remember Gene and Sarah's home next to Bluffs High School and going over to visit during the noon hour trying to pet Nancy's dog Duke (of course Duke never allowed that to happen) or Sarah being the ever gracious host to a bunch of teenagers preparing to go Christmas caroling on a cold winter evening. I was always welcomed by Sarah and I will cherish all of the memories of her and the Kroencke family whether it was at visiting at their home, church, school or school activities. My thoughts and prayers are with the family during this time. Cherish her memory today, tomorrow and forever so that she will live forever in all of our hearts. We love you Sarah.
