“ We were neighbors for 10 years on mauvaisterre. She loved her grand babies. She sat on the porch and would give great advice. She was grandma on that street! She will be missed. Sorry for your loss

“ She never let me leave her house without eating and she was an amazing cook. She tried to teach me and I did learn some things but I didn't have enough time to learn all She knew. We had issues sometimes but all in all I just loved her to pieces and I wish I would have told her fly high my lady to the big library in the sky. Love ya Tatiana
