“ Brenda,Linda,and families.
Sending my sincere sympathies. I am grateful that we were coworkers for so many years. We had so much fun,and were good friends
It wasn't like work with all the laughs we shared. I am glad I was able to run into her shopping, and watch her dance at the Moose a few years back. We had a few visits.I wish I had been able to see her at Whitehall,but I know there was a privacy issue. Then came Covid. I am happy I met her,and became close friends all those years ago. I will hold my memories close to my heart.
