“ *Carolyn, Brenn and Brian,*

*So very sorry for your loss. I will always remember the times I would spend the night as a kid and Steve taking me to some of his favorite fishing holes. He also taught me the importance of betting with my head and not my heart, mostly on the Cardiac Cardinals! Please let Lisa and I know if there is anything we can do.*

*Love,

“ *What I remember best about Steve is his love for his grandkids. He would often come pick Will and Nolan up from my house and they were always so happy to get to spend time with him. He was so important in their lives. I will miss Steve and his humor.*
