“ Although I didn't know her well, she was one of those people you will always remember. She carried with her such a sense of fun and joy it is a shame she had to pass at such a young age.

“ Susie was a force of nature!! Everywhere she went fun was to be had. She meant the world to Tim and I, we always had a good time with her even in rare quite moments. I wouldn't be the woman I am today with out her influence in my life. She had more talent in her little finger then most people have in their whole body. She will be missed everyday by anyone she knew. I have always said if you every meet Susie you would never forget her!!! Rest easy my good friend we love you!!! <3
