“ *To the Hires family and friends, so sorry about the death of your loved one. Thelma lived what the Bible calls "special mightiness" at Psalm 90:10. Yes, eighty or more years along with trouble and hurtful things. Sickness, suffering or death was never part of Almighty God's original purpose for mankind. (Revelation 21:3&4) Ecclesiastes 3:11 help us to see that mankind was created with "time indefinite in their hearts." Our deceased loved ones are sleeping in death temporary. This is a proven promised written in the Bible at Daniel 12:2, there it tells us; "Many of those asleep in the ground of dust who will wake up, these to indefinitely lasting life." John 5:28&28, and Acts 24:15, help us to look to the time when we will be able to welcome those we loved so dearly..*
