“ *Tom -- You brought so much laughter our family and to the world. Our time with the Kilver branch of our family tree was always such a treat. You will be horribly missed by so many, but I know you've got front row seats up there in Heaven and that makes me smile. I'm betting the reunion with your Mom, Dad and Phil was a sight to behold. Hug them all for us and save us seats in the Laughing Section. We love you, Tom.*
