“ I can't believe how long its been since I saw you last. Im sorry you aren't here to see your daughter grow into a.woman. I hope you and.jodie are well. I remember the time the four of.us went to the stark County fair. Lori and I must have spent a \$100 on food. We were all laughing and having a great time. I remember trying to catch a ghost in video on the stairs going up to the 2nd floor of your grandma Pickens home. I taught you how to weld and you.taught me about construction. You were.a.hell of a worker when we had that construction company C&T Construction. I miss you man, you left too soon.
