“ *To Trina's family;*

So sorry to read of Trina's death. Even though I didn't know her, I do know the pain of losing a love one. What helped me to cope was several bible scriptures. One is John chap 5 verse 28 where Jesus Gods son, promised a resurrection of all those in the memorial tombs. Another is Isaiah chap 33 verse 24 where our Creator promises to eliminate all sickness. These promises will be realized when Gods Kingdom rules this earth as it does heaven. So as you reflect on your memories of Trina, remember the promises of the God who as Titus chap 1 verse 2 says "can't lie." I'll pray for your family.

“ Trina made a big impact in every life that was special enough to be touched by her! No matter what she was going through when u called her or went to see her she turned her attention to u and what u was going through or what was goin on! And I always wanted to tell her to stop and take care of urself for awhile Trina ur strong but u need to worry a little less about every body and a little more about you! Trina and my mom were close more like 15 years ago or so but I remember her and little Talesha living with us for awhile! And Trina was always my favorite babysitter so I was set then I had a live in favorite baby sitter and one of my favorite cousins! I could talk to nobody like Trina. And she knew it! And on the 8th of this month when my mom passed Trina text and said I'm gonna call u in a lil bit! But obviously she was sick and had some of her own stuff goin on so I never got that call and I know she would of helped me except it and I honestly think I would be in a better place with it today! But losing my Mom(Trina's Aunt Janie) I know really hurt trina! But I Love you Trina so much and miss you like crazy! I wanna say something to my Aunt Sherri! This is a whole lot to take I don't know how your holding up losing a child is enough but u lost her 8 days after losing your sister! Your tough Aunt Sherri and keep your head up! I Love you so much if u need anything just ask really anything! I'm praying for you! Prayers for Talesha and Marc and the whole family and friends

“ I will always remember Trina's pretty smile. She was always such a sweet little girl. I loved Trina. I had not seen her in quite awhile. It's sad how family go about their business with every day life . Someone passes away and it just takes your breath away. I loved her Grandpa Freddy, my dad's brother. Loved her Grandma Louise too. Trina is with them again. Rest in Peace sweet Trina, when you see my dad in heaven hug him for me. To my family who will miss her the most, I'm thinking about you and love you all.

“ I will always remember Trina when she was a little girl. Trina was in my brownie troop. I enjoyed her being in brownies and I know she enjoyed being there. She was the cutest little girl anyone could imagine. I've always had a special place in my heart for Trina. Trina will be missed by many. My prayers go out to her family.
