“ *Our deepest sympathy to your family. Ward was a great guy, was good to work with and he always had something to say to make me laugh, when I called into the shop.*

“ Ward was a dear friend and neighbor. When my husband Al Dickson was seriously ill and being cared for by family members at home during the winter of 1992 Ward and Darrell Howard kept our driveway clear of snow and a clear path to the back door and the front door of the house. They never failed and their help as neighbors was truly appreciated. As a friend Ward was great to me and to my family. When I first brought Ray from England to the USA Ward and him became friends and spent hours together sitting in Wards garage chatting about anything and everything. If it was cold they sat in the dining room. Ray has missed him terribly on recent visits. RIP Ward - my whole family loved you dearly. God Bless.
