“ *I worked with Bill at BJC for 8 years. During that time I had many residents that touched my heart, but none more than Bill. He was a sharp dresser, loved to dance, and most of all loved his family. On my first day at work he informed me that since we both wear neck ties, we are now best friends! That friendship never ended. He really enjoyed being social, and never missed a chance to dance with a pretty lady at a party. He cared about the people around him, and would rather hear about your life than talk about his. if you truly knew Bill, then you're sad right now, but Bill would have wanted you to smile (not cry) when you remember him. Bill, you will never be forgotten, and the world will never be the same without you. There is no doubt that God welcomed you with open arms.*

I was the Dietary Director at Brother James Court for 10 years. During that time Bill was a perfect gentleman! Loved to escort me to the kitchen and share all his "invitations" to family events! He LOVED his family and LOVED spending time with them! Always looked forward to his sister in law Barbara Sue to pick him up and take him home for the holidays. Bill will NEVER be forgotten! After dinner, if I was in my office, I would get a hug and kiss on the cheek, a perfect gentleman! Raised with lots of love and manners. He will be sadly missed by all who loved him. R.I.P. Billy Moore. Dance with the Angels!!

“ *Bill was a big part of my childhood. We had many good times together and made a lot of good memories. I still remember him riding Goldie down our lane for visits. He was so full of life and optimism. You couldn't help but love him, and everyone did. I'm sorry I won't be able to attend his services, but will be thinking of everyone.*
