“ *Zach will forever be missed. My fondest memory of Zach was this past August when he served as a celebrity service for Dairy Queen Miracle Treat Day to support Children' Miracle Network in Jacksonville, IL. He was a pro at customer service and didn't want to leave the drive through window where the good looking girls were working. It was fun to see him interact with his brother, and to be the comic he always was.*

“ We were very saddened to hear that Zachariah had passed. We will always have the memory of him from Nursery School and playing baseball with our son Christopher. He was a sweet boy that always put a smile on my face each time I saw him. Our hearts and prayers are with you and your family. Heaven has another angel to greet you when you get there. God bless you all.
